

11th International Conference Acute Cardiac Care

June 11-12, 2018 / Tel Aviv, Israel

Scientific programme endorsed by

www.acute-cardiac-care.com

SCIENTIFIC PROGRAM

Monday, June 11 2018

08:00-09:30		
Parallel sessions		
Perioperative acute cardiac care		Hall A
Chairs: R. Kornowski, I. Matot, Israel		
08:00	Cardiac assessment before non-cardiac surgery in the 21st century?	<i>J. Alpert, USA</i>
08:18	Myocardial infarction and injury after non-cardiac surgery	<i>P.J. Devereaux, Canada</i>
08:36	Severe aortic stenosis	<i>L. Eidelman, Israel</i>
08:54	Diastolic dysfunction in cardiac and non-cardiac surgery	<i>G. Landesberg, Israel</i>
09:12	Role of biomarkers	<i>A. Jaffe, USA</i>
Pulmonary embolism		Hall B
Chairs: R. Beigel, S. Matetzky, Israel		
08:00	Pathophysiology and risk stratification	<i>E. Asher, Israel</i>
08:22	Acute pharmacologic management	<i>A. Shimony, Israel</i>
08:45	Facilitated thrombolysis (Sponsored by Pfizer)	<i>G. Piazza, USA</i>
09:07	Long-term antithrombotic therapy	<i>S. Matetzky, Israel</i>
Triage of chest pain		Hall C
<i>with IHS WG on CT/MRI/MPI</i>		
Chairs: K. George, S. Meisel, Israel		
08:00	Chest pain in the ED: Importance of the admission ECG	<i>C. Vrints, Belgium</i>
08:22	Challenges in the pre-hospital management of chest pain	<i>J. Stepinska, Poland</i>
08:45	Optimal ED work-up for low-intermediate risk patient: Anatomy vs. physiology	
	<ul style="list-style-type: none"> • Anatomy (cardiac CT) • Functional imaging (MPI/stress echo) 	<i>A. Shalev, Israel</i> <i>S. Biner, Israel</i>
09:30-10:00		
Coffee break / poster session / exhibition		
10:00-11:50		Hall B
Opening Session		
Chair: Z. Jakobshvili, Israel		
10:00	Opening ceremony	
	Greetings:	
	<i>J. Alpert, Y. Hasin, D. Zahger, Conference Chairs</i>	
	<i>J. Benbenishty, Nursing Stream</i>	
	<i>R. Kornowski, President, Israel Heart Society</i>	
	<i>S. Price, President, ACCA</i>	
	Award ceremony	
	Scientific program outline:	
	<i>Z. Jakobshvili, Conference Secretary General</i>	
10:30	Keynote lecture	
	US and ESC heart failure guidelines - Contrast and similarities	<i>C. Yancy, USA</i>

11:00-11:50	Plenary Session	Hall B
11:00	PCSK-9 inhibitors in high risk patients (Sponsored by Sanofi)	<i>P.G. Steg, France</i>
11:30	Oral anticoagulation after VTE: Which agent and for how long (Sponsored by Pfizer)	<i>G. Piazza, USA</i>
12:00-13:40	Luncheon Symposiums	
Luncheon symposium I	Sponsored by Boehringer Ingelheim	Hall A
	1. Webinar: A new era in antithrombotic regimens for patients with atrial fibrillation following PCI	<i>C. P. Cannon, USA</i>
	2. The changing treatment paradigms in diabetes: A role for cardiologists	<i>A. Grossman, Israel</i>
Luncheon symposium II	Sponsored by AstraZeneca	Hall C
	1. Opening	<i>D. Hasdai, Israel</i>
	2. DAPT in HRPMI patients: From beginning to end	<i>M. Bonaca, USA</i>
	3. Is Aspirin enough in DM patients?	<i>P.G. Steg, France</i>
	4. Panel discussion	
	<i>Moderator: D. Hasdai, Israel</i>	
	<i>Panel members: M. Bonaca, USA, P.G. Steg, France, D. Zahger, Israel</i>	
14:05-15:35	Parallel sessions	
	Non-ST-elevation ACS: Update	Hall A
	<i>Chairs: M. Flugelman, A. Segev, Israel</i>	
14:05	Mechanisms of ACS	<i>F. Crea, Italy</i>
14:27	Which diagnostic algorithms should I use?	<i>A. Jaffe, USA</i>
14:50	Optimal antithrombotic therapy for ACS patient	<i>D. Fintel, USA</i>
15:12	Timing of intervention	<i>U. Zeymer, Germany</i>
	Point-of-care imaging in acute cardiac care	Hall B
	<i>Chairs: M. Vaturi, C. Yosefi, Israel</i>	
14:05	Point of care echocardiography during cardiac resuscitation	<i>R. Beigel, Israel</i>
14:25	Hand-held echocardiography	<i>S. Atar, Israel</i>
14:50	The dyspneic patient in the ICCU: How to differentiate non-cardiac from cardiac causes	<i>L. Fuchs, Israel</i>
15:10	US guided temporary pacing	<i>A. Shimony, Israel</i>
	ACS: Special populations	Hall C
	<i>Chairs: D. Hasdai, S. Meisel, Israel</i>	
14:05	How to manage bleedings under DAPT	<i>U. Zeymer, Germany</i>
14:25	New insights in the management of diabetes	<i>D. Aronson, Israel</i>
14:50	The patient with cancer	<i>Z. Iakobishvili, Israel</i>
15:10	Is frailty as important in acute cardiovascular care as in chronic diseases?	<i>A. Schlesinger, Israel</i>
	Prehospital care – Joint session with Magen David Adom (In Hebrew)	Hall D
	<i>Chairs: O. Kracoff, R. Strugo, Israel</i>	
14:05	Debate: Transfer of victims of sudden cardiac death during resuscitation efforts	
	● Pro	<i>R. Strugo, Israel</i>
	● Con	<i>O. Wacht, Israel</i>

14:25	Helicopter use for transportation of acute cardiac patients – Israeli experience	S. Botner, Israel
14:40	Oxygen therapy at prehospital stage for ACS and stroke patients: Friend or foe?	K. Orvin, Israel
15:00	Challenges of sudden cardiac death recognition at the scene	I. Rozenblat, Israel
15:20	Improving cardiopulmonary resuscitation	R. Eshel, Israel

15:35-16:00 Coffee break / poster session / exhibition

16:00-17:30 Parallel sessions

Non-coronary emergencies in the ICCU

Hall A

Chairs: M. Mosseri, A. Sagie, Israel

16:00	Infective endocarditis	J. Stepinska, Poland
16:22	Aortic dissection: Diagnostic challenge	A. Korach, Israel
16:45	Valve thrombosis	A. Sagie, Israel
17:07	Acute mitral regurgitation: Percutaneous management	P. Fefer, Israel

Acute heart failure I

Hall B

Chairs: O. Amir, A. Porter, Israel

16:00	Contemporary treatment of cardiogenic shock: Device update	D. Hasdai, Israel
16:18	Multivessel revascularization versus culprit vessel only	U. Zeymer, Germany
16:36	Heart failure from CCU to home: Devices and strategies to avoid a round-trip ticket	S. Borzak, USA
16:54	Hyperkalemia and heart failure: Clinical significance and new therapeutic options	U. Elkayam, USA
17:12	Extracorporeal support – Complications	S. Price, UK

STEMI

Hall C

Chairs: E. Asher, M. Kriwisky, Israel

16:00	ESC guidelines	S. Price, UK
16:22	Non-culprit intervention	A. Segev, Israel
16:45	How to overcome challenges in primary PCI with and without cardiogenic shock	I. Barbash, Israel
17:07	How to improve secondary prevention after MI	P.G. Steg, France

Tuesday, June 12 2018

08:30-10:15 Parallel sessions

Management of atrial fibrillation

Hall A

Chairs: R. Leor, A. Pollak, Israel

08:30	Rhythm control heart failure	M. Glikson, Israel
08:56	Post-CABG atrial fibrillation: A new look at an old problem	S. Borzak, USA
09:23	Management after PCI for ACS	P.G. Steg, France
09:49	New onset atrial fibrillation after non-cardiac surgery	P.J. Devereaux, Canada

ICU and ICCU: Ongoing cross-talk

Hall B

Chairs: J. Balkin, A. Blatt, Israel

08:30	Epigenetic evidence of myocardial injury in sepsis	G. Landesberg, Israel
08:51	Invasive vs. non-invasive ventilation	J. Masip, Spain
09:12	The role of focused cardiac and lung ultrasound in ICU	S. Price, UK
09:33	Renal replacement therapy: Choice of modality and timing	G. Millo, Israel
09:54	Anemia and blood transfusion in the cardiac patient	S. Frank, USA

	MINOCA: Myth or reality? Chairs: B. Karkabi, G. Keren, Israel	Hall C
08:30	Takotsubo	<i>F. Crea, Italy</i>
08:54	Coronary spasm	<i>J. Horowitz, Australia</i>
09:18	Myocarditis mimicking myocardial infarction	<i>A. Keren, Israel</i>
09:51	Spontaneous coronary artery dissection	<i>A. Shimony, Israel</i>
10:15-10:45	Coffee break / poster session / exhibition	
10:45-12:00	Plenary Session Chairs: J. Alpert, USA, Y. Hasin, Israel	Hall B
10:45	New definition of MI	<i>J. Alpert, USA</i>
11:05	Panel discussion Moderator: Y. Hasin, Israel Panel Members: J. Alpert, USA S. Atar, Israel F. Crea, Italy A. Jaffe, USA E. Lev, Israel D. Zahger, Israel	
12:00-13:40	Luncheon Symposiums	
Luncheon symposium III	Sponsored by Novo Nordisk 1. New perspectives on managing CV risk in T2D 2. Renal outcomes in T2D - the role of Glp-1RA	Hall A <i>R. Beigel, Israel</i> <i>A. Cahn, Israel</i>
Luncheon symposium IV	Sponsored by Bayer The Dual Pathway Therapy - Who are the patients? Chair: D. Zahger, Israel 1. The Dual Pathway Therapy rationale - From atlas to compass 2. Choosing patients in Israel	Hall C <i>M. Bonaca, USA</i> <i>S. Matetzky, Israel</i>
14:00-15:30	Parallel sessions	
	Acute heart failure II Chairs: R. Alcalai, A. Shotan, Israel	Hall A
14:00	Furosemide in acute heart failure: Timing and mode of administration	<i>C. Vrints, Belgium</i>
14:22	A new look at N-acetylcysteine in acute heart disease	<i>J. Horowitz, Australia</i>
14:45	Oxygen therapy	<i>J. Masip, Spain</i>
15:07	Role of mechanical support	<i>T. Hasin, Israel</i>
	TAVI Chairs: Y. Abramowitz, H. Danenberg, Israel	Hall B
14:00	Patient selection for TAVI	<i>U. Landes, Israel</i>
14:22	Bioprosthetic valve thrombosis	<i>Y. Abramowitz, Israel</i>
14:45	The patient with GI bleed	<i>D. Planer, Israel</i>
15:07	When is it too late for TAVI?	<i>A. Segev, Israel</i>
	Secondary prevention after ACS Chairs: S. Atar, Y. Rozenman, Israel	Hall C
14:00	Long-term antithrombotic therapy	<i>P.G. Steg, France</i>
14:20	Lipid management: Beyond statins	<i>D. Fintel, USA</i>
14:40	Polyvascular disease	<i>M. Bonaca, USA</i>
15:00	Beta-blockers post-MI in the modern era	<i>J. Goldberger, USA</i>
15:20	Discussion	

Acute heart failure in cardiomyopathies: Unique case presentations and guided discussions with leading experts		Hall D
Chairs: A. Katz, Israel, C. Yancy, USA		
14:00	Takotsubo in patients with hypertrophic cardiomyopathy: Is it a mere coincidence? <i>Presented by D. Monakier, Israel</i> <i>Discussant: F. Crea, Italy</i>	
14:30	Mitral regurgitation in hypertrophic cardiomyopathy: Mechanisms and surgical treatment <i>Presented by R. Kuperstein, Israel</i> <i>Discussant: J. Alpert, USA</i>	
15:00	Severe heart failure in patients with toxin induced cardiomyopathy: The challenge in diagnosis and treatment <i>Presented by I. Gotsman, Israel</i> <i>Discussant: C. Yancy, USA</i>	
15:30-16:00	Coffee break / poster session / exhibition	
16:00-17:30	Parallel sessions	
Sudden cardiac death		Hall A
Chairs: M. Halabi, M. Suleiman, Israel		
16:00	Sex and resuscitation	<i>S. Einav, Israel</i>
16:20	Novel approaches for the management of sudden death in the community	<i>R. Koster, Netherlands</i>
16:40	Targeted temperature management	<i>H. Hod, Israel</i>
17:00	ECMO-assisted CPR	<i>J. Cohen, Israel</i>
17:20	A novel approach to home defibrillation	<i>T. Weiss, Israel</i>
Electrophysiology in acute cardiac care		Hall B
Chairs: R. Beinart, G. Golovchiner, Israel		
16:00	Debate: Ventricular tachycardia storm 2017: Ablate ASAP <ul style="list-style-type: none"> • Pro • Con 	<i>E. Nof, Israel</i> <i>I. Goldenberg, Israel</i>
16:36	Management of patients with aborted VF and normal heart	<i>M. Blich, Israel</i>
16:54	EPS for risk stratification of SCD early post-MI	<i>J. Goldberger, USA</i>
17:12	Atrial fibrillation – Acute management	<i>M. Haim, Israel</i>
Type 2 MI		Hall C
Chairs: D. Aronson, S. Fuchs, Israel		
16:00	Definition and classification	<i>J. Alpert, USA</i>
16:22	Epidemiology and prognosis	<i>D. Hasdai, Israel</i>
16:44	Biomarkers	<i>A. Jaffe, USA</i>
17:02	Invasive management	<i>S. Fuchs, Israel</i>

* Subject to change
